Zomer Werkboekje

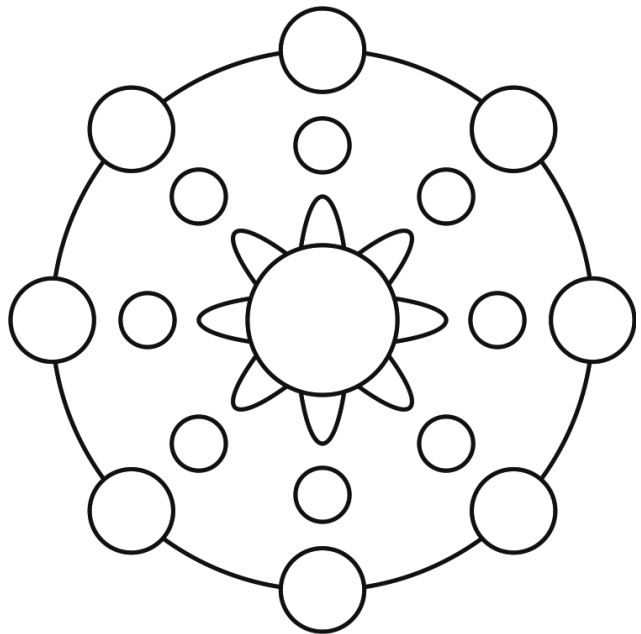

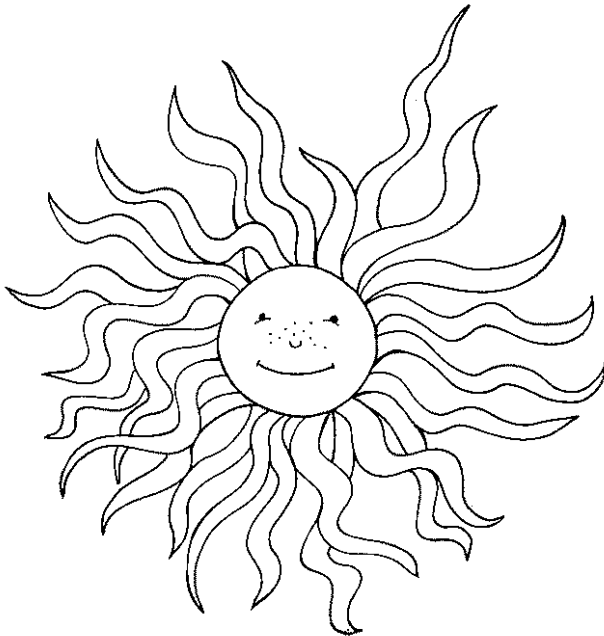

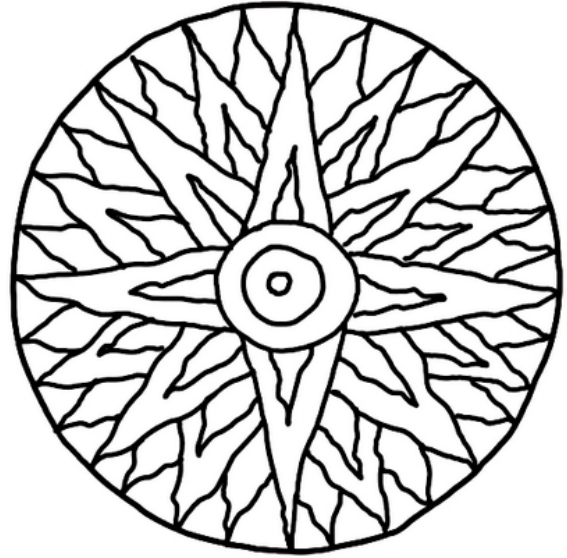

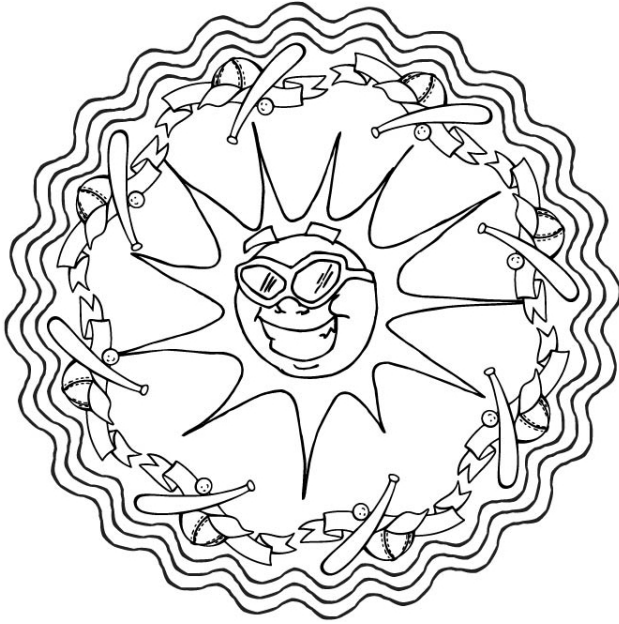

Groep 4

Naam: _____

The diagram shows a 20-pointed star with points numbered 1 through 20. The points are arranged in a circular pattern around a central structure. The central structure consists of a vertical line with a horizontal bar at the top, a triangular shape in the middle, and a series of four rectangular blocks connected by a curved line at the bottom. The points are numbered as follows: 1 and 20 are on the horizontal bar; 1 through 10 are on the right side of the triangle; 11 through 20 are on the left side of the triangle. The points are numbered in a clockwise direction starting from the top of the triangle.
